

# ENHANCING END-OF-LIFE CARE

ICU to Ward Transitions Simulation Day

April 25th, 2025 | West Middlesex University Hospital

## JOIN US FOR A TRANSFORMATIVE LEARNING EXPERIENCE

Are you involved in caring for patients transitioning from ICU to ward settings at the end of life? This high-fidelity simulation training aims to enhance your skills in managing these critical transitions with confidence and compassion.

### WHY ATTEND?

Our audit of 92 patients revealed key opportunities to improve end-of-life transitions:

Recognition of dying

**100% ✓**

CCA documentation

**Only 6.5% ✗**

SPC referrals

**Only 19.6% ✗**

Transitions to ward

**Only 6.5% ✗**

This is your opportunity to bridge these gaps and enhance patient care.

### WHAT YOU'LL EXPERIENCE

- ✓ Realistic scenarios with professional actors portraying family members
- ✓ Expert-facilitated debriefing to enhance learning
- ✓ Hands-on practice with documentation and medication management
- ✓ Multidisciplinary approach involving ICU and ward perspectives

### WHO SHOULD ATTEND?

ICU physicians and trainees

ICU nursing staff

Ward nurses receiving ICU patients

Allied health professionals

**Build your confidence in managing challenging transitions and  
improve patient care**

**Join on 25th April at Simulation Centre, WMUH**
